Responses shall be filed in accord with the Local Rules and this Court's Policies and no later than **August 27, 2018**. Motions for summary judgment and responses shall fully comply with this Court's Policies, including:

(a) A separately filed Statement of Undisputed Material Facts which details, in numbered paragraphs, the material facts that the moving party contends are undisputed and entitle the movant to judgment as a matter of law. Only those facts which bear on dispositive material issues shall be included in the Statement of Undisputed Facts.

(b) Opposition to a motion for summary judgment shall include a separate filing of a Statement of Material Facts, responding to the numbered paragraphs in the movant's Statement of Undisputed Facts, which the respondent contends present genuine issues for trial. The responding party also shall set forth, in separate numbered paragraphs, any additional facts which the respondent contends preclude summary judgment.

(c) Statements of Material Facts in support of or in opposition to a motion for summary judgment shall include specific and not general references to the record that support each of the statements. Each stated fact shall cite the source relied upon, including the page of any document or line and page number of any deposition to which reference is made.

(d) Memoranda in support of, or opposing, a Rule 56 motion is limited to twenty-five (25) pages, double-spaced, twelve (12) point font.

(e) Upon filing, the movant(s) shall also file a separate appendix of all exhibits or affidavits which may relate to the issues raised in the motion. On all cross-motions

under Rule 56, the cross-movants must consult and file a joint appendix. All pages of the appendix shall be consecutively “Bates stamped” and referenced by the Bates number assigned to each page. The appendix shall include a table of contents. The movant shall make every effort to include all necessary exhibits in the appendix, anticipating the respondent’s necessary citations to the fullest good faith extent possible. Should it become necessary for the non-moving party to submit affidavits or additional exhibits, it may do so in a respondent’s appendix filed with its Opposition. Any additions to the movant’s appendix shall also be consecutively Bates-stamped, beginning sequentially at the page number where the movant’s appendix ended, and shall include a table of contents. This Court will not consider party documents not included in the appendix.

(f) Parties shall provide Chambers with one (1) paper courtesy copy of all filed summary judgment submissions by overnight mail or hand delivery within one (1) business day of filing.

(g) Failure of the movant to follow this procedure in all respects may result in denial of the motion without prejudice to be renewed at trial. Respondent’s failure to comply in all respects may result in this Court’s considering the motion as uncontested.

12. Only those exhibits, discovery items and expert witnesses identified in the manner set forth in this Order shall be considered for admission into evidence at trial, unless stipulated by all affected parties and approved by the Court.

13. The unavailability of a witness will not be a ground to delay the commencement or progress of an ongoing trial. If a witness may be unavailable at the time of trial in the manner defined in Fed. R. Civ. P. 32(a)(4), testimony must be presented by oral or videotape deposition at trial.

14. No later than **September 19, 2018**, counsel for each party shall exchange a list identifying each exhibit the party expects to offer at trial along with a reference to the Bates number or other identification of the documents used in discovery.

Responses, including highlighted counter-designations, if any, shall be filed on or before **October 4, 2018**.

18. A final pretrial conference will be held on **October 10, 2018 at 8:30 A.M.**, in Courtroom 6-B.
